ICC Washington, D. C.

November 9, 1976

Dear Sir:

Herewith for recordation pursuant to Section 20c of the Interstate Commerce Act are counterparts of the following documents:

A  
(1) Lease of Railroad Equipment dated as of October 1, 1976, between First Security State Bank, as owner-trustee, lessor, and Trailer Train Company, lessee.

B  
(2) Assignment of Lease and Agreement dated as of October 1, 1976, between First Security State Bank, as owner-trustee, assignor, and First Security Bank of Utah, N.A., as trustee, assignee.

The addresses of the parties to the aforementioned agreements are as follows:

First Security State Bank  
Main Street at Broadway  
Salt Lake City, Utah 84111

First Security Bank of Utah, N.A.  
79 South Main Street  
Salt Lake City, Utah 84111

Trailer Train Company  
300 South Wacker Drive  
Chicago, Illinois 60606

The equipment covered by the aforementioned agreements consists of one hundred and ninety-four (194) 89'4" 70-ton low level flat cars, AAR mechanical designation FC, bearing the road numbers of Trailer Train Company

850918 through 851003,  
851243 through 851262,  
851301 through 851317,  
851332 through 851345,

700216 through 700230,  
700280 through 700310, and  
700350 through 700360,

and also bearing the legend "Owned By a Bank or Trust Company Under a Security Agreement Filed Under the Interstate Commerce Act, Section 20c".

Enclosed is a check for \$50 for the required recordation fee. Please accept for recordation two counterparts of the enclosed agreements, stamp the remaining counterparts with your recordation number and return them to the delivering messenger along with your fee receipt, addressed to the undersigned.

Please cross reference the documents referred to in this letter to Trailer Train Company.

Very truly yours,

  
Authorized Officer

STATE COMMISSION

---

LEASE OF RAILROAD EQUIPMENT

Dated as of October 1, 1976,

between

TRAILER TRAIN COMPANY

and

FIRST SECURITY STATE BANK,  
not in its individual capacity, but solely as Owner-Trustee

---

LEASE OF RAILROAD EQUIPMENT dated as of October 1, 1976, between TRAILER TRAIN COMPANY, a Delaware corporation (hereinafter called the Lessee), and FIRST SECURITY STATE BANK, a Utah corporation, acting not in its individual capacity but solely as Trustee (hereinafter, together with its successors and assigns, called the Owner-Trustee) under a Trust Agreement dated as of the date hereof (hereinafter called the Trust Agreement), with MLL Leasing Corp. (hereinafter called the Owner).

WHEREAS the Lessee has entered or will enter into two manufacturing agreements (hereinafter called the Manufacturing Agreements) with Pullman Incorporated (Pullman Standard Division) and Bethlehem Steel Corporation, respectively (hereinafter individually called a Builder and collectively referred to as the Builders), pursuant to which the Lessee has agreed to purchase and take delivery of certain railroad equipment; and

WHEREAS, under assignments (hereinafter called the Assignments) of the Manufacturing Agreements, the Lessee is assigning to the Owner-Trustee its rights under the Manufacturing Agreements to purchase and take delivery of those units of railroad equipment described in Schedule A hereto (such railroad equipment being hereinafter sometimes called the Equipment); and

WHEREAS the Lessee agrees to lease from the Owner-Trustee all the units of the Equipment, or such lesser number of units as are delivered and accepted under the Manufacturing Agreements and the Assignments, at the rentals and for the term and upon the conditions hereinafter provided (each such unit being hereinafter called a Unit); and

WHEREAS the Owner-Trustee is entering into an equipment trust agreement (hereinafter called the Security Document) with First Security Bank of Utah, N.A. (hereinafter, together with its successors and assigns as trustee under the Security Document, called the Trustee), pursuant to which equipment trust certificates (hereinafter called the Trust Certificates) will be sold to finance a portion of the purchase price of the Equipment, the Owner-Trustee will be obligated to make payments equal to principal and interest thereon out of the rentals received hereunder and a security

interest in the Units and this Lease will be conveyed to the Trustee until the Owner-Trustee fulfills all its obligations under the Security Document; and

WHEREAS the Owner-Trustee will assign this Lease for security to the Trustee pursuant to an Assignment of Lease and Agreement (hereinafter called the Lease Assignment) and the Lessee will consent to the Lease Assignment pursuant to a Lessee's Consent and Agreement (hereinafter called the Consent);

NOW, THEREFORE, in consideration of the rentals to be paid and the covenants hereinafter mentioned to be kept and performed by the Lessee, the Owner-Trustee hereby leases the Units to the Lessee upon the following terms and conditions:

§ 1. Net Lease. This Lease is a net lease. The Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein provided, the Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of the Lessee against the Owner-Trustee or the Owner under this Lease or under the Security Document, including the Lessee's rights by subrogation thereunder against either Builder or the Trustee or otherwise; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of the Owner-Trustee or the Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the Units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the Units, the prohibition of or other restriction against the Lessee's use of all or any of the Units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or the bankruptcy, reorganization or similar proceeding against the Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by the Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation

to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, the Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the Units except in accordance with the express terms hereof. Each rental or other payment made by the Lessee hereunder shall be final and the Lessee shall not seek to recover all or any part of such payment from the Owner-Trustee, the Owner, any holder of the Trust Certificates or the Trustee for any reason whatsoever.

§ 2. Delivery and Acceptance of Units. The Owner-Trustee hereby appoints the Lessee its agent for inspection and acceptance of the Units pursuant to the Manufacturing Agreements and the Assignments; provided, however, that such acceptance shall be in accordance with the provisions of Article Four of the Security Document. Each delivery of a Unit to the Owner-Trustee under the Manufacturing Agreements and Assignments shall be deemed to be a delivery hereunder to the Lessee at the point or points within the United States of America at which such Unit is delivered to the Owner-Trustee under the Manufacturing Agreements. Upon such delivery, the Lessee will cause an employee or agent of the Lessee to inspect the same, and if such Unit is found to be acceptable, to accept delivery of such unit on behalf of the Owner-Trustee under the Manufacturing Agreements and Assignments and itself hereunder and execute and deliver to the Owner-Trustee a certificate of acceptance (hereinafter called the Certificate of Acceptance) in accordance with the provisions of Article 2 of the Manufacturing Agreements, stating that such Unit has been inspected and accepted on behalf of the Lessee and the Owner-Trustee on the date of such Certificate of Acceptance and is marked in accordance with § 5 hereof, whereupon such Unit shall be deemed to have been delivered to and accepted by the Lessee and shall be subject thereafter to all the terms and conditions of this Lease. The Lessee hereby represents and warrants to the Owner-Trustee that no Unit shall be put into service earlier than the date of delivery to and acceptance by the Lessee as agent for the Owner-Trustee hereunder.

§ 3. Rentals. The Lessee agrees to pay to the Owner-Trustee, as rental for each Unit subject to this Lease, one payment on December 30, 1976, and thereafter 32 consecutive semiannual payments, payable on January 1 and July 1 in

each year, commencing July 1, 1977. The first rental payment shall be in an amount equal to interest (computed on the basis of a 360-day year of twelve 30-day months) based on the Purchase Price (as defined in the Manufacturing Agreements) of each Unit from the thirtieth day following the date of acceptance thereof pursuant to § 2 hereof to the Closing Date (as defined in the Security Document), at a rate per annum equal to the rate which Manufacturers Hanover Trust Company, New York, New York, charges for 90-day unsecured loans to large corporate borrowers of the highest credit standing from time to time in effect for the period such interest is payable; provided, however, that changes in such prime rate occurring during the ten business days preceding the Closing Date shall be disregarded; and provided, further, that such amount in respect of any Unit shall be the amount of interest on the Purchase Price thereof due the Builders thereof pursuant to the Manufacturing Agreements. The first sixteen semiannual rental payments shall each be in an amount equal to 4.4970% of the Purchase Price of each Unit subject to this Lease on the date of such payment; provided, however, that the rental payment due on July 1, 1977, shall include an additional amount equal to the interest accrued on the Trust Certificates (other than those prepaid on December 30, 1976) from the date or dates of issuance thereof through January 1, 1977. The remaining 16 semiannual rental payments shall each be in an amount equal to 3.6690% of the Purchase Price of each Unit subject to this Lease on the date of such payment. The foregoing amounts and rental rates have been calculated on the assumption that 68.0459% of the Purchase Price of the Units will be provided out of the proceeds of the sale on the Closing Date, of Trust Certificates in the aggregate principal amount of \$578,595.27 due January 1, 1985, having an interest rate of 8-3/8% per annum, and Trust Certificates in the aggregate principal amount of \$3,654,075.73 due January 1, 1992, having an interest rate of 8-3/4% per annum. If for any reason all of the Trust Certificates are not sold as contemplated, and the Owner-Trustee pays more than 31.9541% of the Purchase Price of any Unit pursuant to Section 4.03 of the Security Document on any Closing Date or if Trust Certificates are sold at interest rates other than those hereinabove specified, the Owner-Trustee and the Lessee agree that the rentals payable hereunder and the Casualty Value percentages set forth in Schedule B hereto will be appropriately adjusted in order that the Owner's net return (computed on the same assumptions, including, without limitation, tax rates, as were utilized by the Owner in originally evaluating the transaction) will not be increased or decreased by reason thereof; provided,

however, that the rentals and Casualty Value percentages, as so adjusted, shall not be reduced in any case from the amounts set forth herein other than to reflect any reduction in the interest rate on any Trust Certificate as aforesaid. The Lessee agrees that it will not have the right to inspect the tax returns or related documents of the Owner, the Owner-Trustee or any affiliate of the Owner or the Owner-Trustee in order to confirm any calculation made by the Owner pursuant to the immediately preceding sentence; provided, however, the Lessee shall have the right, upon demand, to have Thayer, Ringoen & Macdonald, or another independent party selected by the Lessee and approved by the Owner, which approval shall not be unreasonably withheld, review any calculations made by the Owner to determine the consistency of the methods and the assumptions used in such calculations with those used by the Owner in originally evaluating this transaction and the accuracy of such computations based on such methods and assumptions.

If any of the semiannual rental payment dates referred to above is not a Business Day (as such term is defined in the Security Document) the semiannual rental payment otherwise payable on such date shall then be payable on the next succeeding Business Day, and no interest shall be payable for the period from and after the nominal date for payment thereof to such next succeeding Business Day.

For so long as the Security Document shall remain in effect, the Owner-Trustee irrevocably instructs the Lessee to make all the payments due the Owner-Trustee provided for in this Lease to the Trustee, for the account of the Owner-Trustee, in care of the Trustee, with instructions to the Trustee (a) first to apply such payments to satisfy the obligations of the Owner-Trustee under the Security Document known to the Trustee to be due and payable on the date such payments are due and payable hereunder and (b) second, so long as no Event of Default under the Security Document shall have occurred and be continuing, to pay any balance promptly to the Owner-Trustee or to the order of the Owner-Trustee in immediately available funds at such place as the Owner-Trustee shall specify in writing.

The Lessee agrees to make each payment provided for herein as contemplated by this § 3 in immediately available or federal funds at or prior to 11:00 a.m. Salt Lake City time at the Corporate Trust Office (as defined in the Security Document) on the date due, or if the Security Document shall no longer be in effect, at the office of the

Owner-Trustee.

§ 4. Term of Lease. The term of this Lease as to each Unit shall begin on the date of delivery and acceptance of such Unit hereunder and, subject to the provisions of §§ 7, 10 and 13 hereof, shall terminate on January 1, 1993. Except for obligations of the Lessee hereunder which are not specifically stated to terminate at a fixed time, the obligations of the Lessee hereunder (including, but not limited to, the obligations under §§ 3, 6, 7, 9 and 14 hereof) shall survive the expiration of the term of this Lease.

Notwithstanding anything to the contrary contained herein, all rights and obligations of the Lessee under this Lease and in and to the Units are subject to the rights of the Trustee under the Security Document. If an Event of Default should occur under the Security Document, the Trustee may terminate this Lease (or rescind its termination), all as provided therein.

§ 5. Identification Marks. The Lessee will cause each Unit to be kept numbered with the identifying number set forth in Schedule A hereto, or in the case of any Unit not there listed such identifying number as shall be set forth in any amendment or supplement hereto extending this Lease to cover such Unit, and will keep and maintain, plainly, distinctly, permanently and conspicuously marked on each side of each Unit, in letters not less than one inch in height, the words, "Owned by a Bank or Trust Company under a Security Agreement Filed under the Interstate Commerce Act, Section 20c", or other appropriate words designated by the Owner-Trustee, with appropriate changes thereof and additions thereto as from time to time may be required by law or reasonably requested in order to protect the Owner-Trustee's title to and the Trustee's security interest in such Unit and the rights of the Owner-Trustee under this Lease and of the Trustee under the Security Document. The Lessee will not place or permit any such Unit to be placed in operation or exercise any control or dominion over the same until such words shall have been so marked on both sides thereof and will replace or cause to be replaced promptly any such name and words which may be removed, defaced, obliterated or destroyed. The Lessee will not change or permit to be changed the identifying number of any Unit unless and until (i) a statement of new number or numbers to be substituted therefor shall have been filed with the Trustee and the Owner-Trustee

and filed, recorded and deposited by the Lessee in all public offices where this Lease and the Security Document shall have been filed, recorded and deposited and (ii) the Lessee shall have furnished the Trustee and the Owner-Trustee an opinion of counsel to the effect that such statement has been so filed, recorded and deposited, such filing, recordation and deposit will protect the Trustee's and the Owner-Trustee's interests in such Units and no filing, recording, deposit or giving of notice with or to any other federal, state or local government or agency thereof is necessary to protect the interests of the Trustee and the Owner-Trustee in such Units.

Except as above provided, the Lessee will not allow the name of any person, association or corporation to be placed on any Unit as a designation that might be interpreted as a claim of ownership; provided, however, that the Lessee may permit the Equipment to be lettered with the names, trademarks, initials or other insignias customarily used by the Lessee or its affiliates on railroad equipment used by it of the same or a similar type for convenience of identification of its rights to use the Equipment under this Lease, and the Equipment may be lettered in an appropriate manner for convenience of identification of the interest of the Lessee therein.

§ 6. Taxes. Whether or not any of the transactions contemplated hereby are consummated, the Lessee agrees to pay, and to indemnify and hold the Owner-Trustee, the Owner, the Trustee, the holders of Trust Certificates and the respective estates held in trust by the Owner-Trustee under the Trust Agreement and by the Trustee under the Security Document harmless from all taxes (income, gross receipts, franchise, sales, use, property [real or personal, tangible or intangible] and stamp taxes), assessments, fees and charges of any nature whatsoever, together with any penalties, fines, additions to tax or interest thereon, howsoever imposed, whether levied or imposed upon the Owner-Trustee, the Owner, the Trustee, the holders of Trust Certificates, the Lessee, the trust estates created by the Trust Agreement, the Builders (except for those taxes which are the responsibility of each Builder pursuant to Article 11 of such Builder's respective Manufacturing Agreement) or otherwise, by any federal, state or local government or governmental subdivision in the United States or by any foreign country or subdivision thereof, upon or with respect to: any Unit or any part thereof; the manufacture, the purchase, ownership, delivery, leasing, possession, use, operation, transfer of title, return or other disposition thereof; the rentals, receipts or

earnings arising therefrom or value added thereto; this Lease, the Lease Assignment, the Consent, the Trust Agreement, the Participation Agreement, the Security Document, the Manufacturing Agreements, the Assignments, the Trust Certificates or the issuance thereof under the Security Document, any payment made pursuant to any such agreement, or the property, the income or other proceeds received with respect to property held in trust by the Owner-Trustee under the Trust Agreement or by the Trustee under the Security Document (all such taxes, assessments, fees, charges, penalties, fines, additions to tax and interest imposed as aforesaid being hereinafter called "Taxes"); excluding, however: (i) Taxes of the United States or of any state or political subdivision thereof and (if and to the extent that any person indemnified hereunder is currently allowed a credit therefor against its United States Federal income taxes or is indemnified by the Lessee pursuant to Paragraph 9 of the Participation Agreement) of any foreign country or subdivision thereof, imposed on or measured solely by the net income or excess profits of the Owner-Trustee (in its individual capacity), the Owner, the holders of Trust Certificates or the Trustee (in its individual capacity), other than Taxes arising out of or imposed in respect of the receipt of indemnification payments pursuant to this Lease, provided that such Taxes of any foreign country or subdivision thereof incurred as a result of the indemnified party being taxed by such foreign country or jurisdiction on its worldwide income without regard to the transactions contemplated by this Lease shall be excluded whether or not the indemnified party is currently allowed a credit against its United States Federal income taxes; (ii) any Taxes imposed as a direct result of a voluntary transfer or other voluntary disposition by the Owner or any transfer or disposition by the Owner resulting from bankruptcy or other proceedings for the relief of creditors in which the Owner is the debtor, whether voluntary or involuntary, of any interest in any Unit or interest in rentals under this Lease without the consent of the Lessee, unless, in each case, such transfer or disposition is required or contemplated by this Lease or an Event of Default shall have occurred and be continuing; and (iii) any Taxes imposed on or measured by any trustee fees received by the Owner-Trustee or the Trustee; provided, however, that the Lessee shall not be required to pay any Taxes during the period it may be contesting the same in the manner provided in the next succeeding paragraph. The Lessee further agrees to pay on or before the time or times prescribed by law any tax imposed on or measured solely by the net income of the Lessee (or the affiliated

group, within the meaning of section 1504 of the Internal Revenue Code of 1954, as amended, of which the Lessee is a member) under the laws of the United States or of any state or political subdivision thereof, or of any foreign country or subdivision thereof which, if unpaid, might result in a lien or other encumbrance upon any Unit; provided, however, that the Lessee shall not be required to pay any such tax during the period it may be contesting the same.

If any person indemnified hereunder shall be allowed a credit for any foreign Taxes for which the Lessee shall have reimbursed such indemnified party, such indemnified party shall pay to the Lessee the amount of such credit, plus an amount equal to any tax benefits realized by such indemnified party as a result of any payment to the Lessee pursuant to this sentence. For purposes of this paragraph, in determining the order in which the indemnified party utilizes withholdings or other foreign taxes as a credit against such indemnified party's United States income taxes, such indemnified party shall be deemed to utilize (i) first, all foreign taxes other than those described in (ii) below and (ii) then, all foreign Taxes for which the Lessee shall have reimbursed such indemnified party pursuant to this § 6. Each indemnified party shall in good faith use reasonable efforts in filing its tax returns and in dealing with taxing authorities to claim a credit for any foreign taxes for which the Lessee shall have reimbursed such indemnified party and otherwise to minimize any Taxes for which the Lessee is responsible under this § 6.

The amount which the Lessee shall be required to pay with respect to any taxes indemnified against pursuant to this § 6, shall be an amount sufficient to restore the indemnified party to the same position such indemnified party would have been in had such Taxes not been imposed.

If claim is made against any indemnified party for any Taxes indemnified against under this § 6, such party shall promptly notify the Lessee. If reasonably requested by the Lessee in writing, such indemnified party shall, upon receipt of indemnity satisfactory to it for all costs, expenses, losses, legal and accountants' fees and disbursements, penalties, fines, additions to tax and interest, and at the expense of the Lessee, contest in good faith the validity, applicability or amount of such Taxes by (a) resisting payment thereof if possible, (b) not paying the same except under protest, if protest is necessary and proper, and (c) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative or judicial proceedings, or both. The Lessee may also contest, at its own expense, the validity, applicability or amount of such Taxes in the name of such indemnified party; provided that no proceeding

or action relating to such contest shall be commenced (nor shall any pleading, motion, brief or other paper be submitted or filed in the name of such indemnified party in any such proceeding or action) without the prior written consent of such indemnified party. If such indemnified party shall obtain a refund of all or any part of such Taxes previously reimbursed by the Lessee in connection with any such contest or an amount representing interest thereon applicable to the amount paid by the Lessee and the period of such payment, such indemnified party shall pay to the Lessee the amount of such refund or interest net of expenses; provided, however, that no Event of Default and no event which, with notice or lapse of time or both, would constitute an Event of Default shall have occurred and be continuing.

In case any report or return is required to be made with respect to any obligation of the Lessee under this § 6 or arising out of this § 6, except obligations resulting from the second sentence of the first paragraph of this § 6, the Lessee shall either make such report or return in such manner as will show the interests of the Owner-Trustee in the Units, or shall promptly notify the Owner-Trustee, the Owner and the Trustee of such requirement and shall make such report or return in such manner as shall be satisfactory to the Owner-Trustee, the Trustee and the Owner. All costs and expenses (including legal and accountants' fees) of preparing any such return or report shall be borne by the Lessee.

All the obligations of the Lessee under this § 6 shall survive and continue, but only with respect to periods included in the term of this Lease, notwithstanding payment in full of all amounts due under the Security Document or the termination of this Lease. All amounts payable by the Lessee pursuant to this § 6 shall be payable directly to the indemnified party entitled to indemnification, except to the extent paid to a governmental agency or taxing authority. The foregoing indemnities by the Lessee shall not constitute a guaranty by the Lessee of the payment of any instalments of principal or interest payable under the Trust Certificates.

The Lessee shall furnish promptly, upon request, such information and data as is normally available to the Lessee and which the Owner-Trustee, the Trustee or the Owner reasonably may require to permit compliance with the requirements of any taxing authorities.

§ 7. Payment for Casualty Occurrences; Insurance.  
In the event that any Unit shall be or become worn out, lost, stolen, destroyed, irreparably damaged, or permanently rendered unfit for use from any cause whatsoever, or taken or requisitioned by condemnation or otherwise resulting in loss

of possession by the Lessee for a period of 90 consecutive days, except requisition for use by the United States Government for a period not in excess of the then remaining term of this Lease (such occurrences being hereinafter called Casualty Occurrences) during the term of this Lease, or until such Unit shall have been returned in the manner provided in §§ 11 or 14 hereof, the Lessee shall promptly and fully notify the Owner-Trustee and the Trustee with respect thereto. On the rental payment date next succeeding the delivery of such notice (or, in the event such rental payment date will occur within 15 days after delivery of notice, on the following rental payment date, or, in the event the term of this Lease has already expired or will expire within 15 days after delivery of such notice, on a date within 15 days of such delivery), the Lessee shall pay to the Owner-Trustee an amount equal to the rental payment or payments in respect of such Unit due and payable on such date plus the excess of (a) the Casualty Value of such Unit as of the rental payment date which first follows the actual date of the Casualty Occurrence (regardless of the date on which the determination that such Unit suffered the Casualty Occurrence is made) (such rental payment date being hereinafter called the Calculation Date) plus interest on such Casualty Value at the rate of 11% per annum, compounded semiannually, from the Calculation Date to the date payment pursuant to this § 7 is made, over (b) the sum of all rental payments made with respect to such Unit for periods subsequent to the Calculation Date plus interest on each such rental payment at the rate of 11% per annum, compounded semiannually, from the respective dates on which such rental payments are made to the date payment pursuant to this § 7 is made. Upon the making of such payment by the Lessee in respect of any Unit, the rental for such Unit shall cease to accrue as of the date of such payment, the term of this Lease as to such Unit shall terminate and (except in the case of the loss, theft or complete destruction of such Unit) the Lessor shall be entitled to recover possession of such Unit. All references herein to January 1 or July 1 shall be deemed to refer to whichever such date shall occur soonest.

If the date upon which the making of such payment by the Lessee in respect of any Unit as required as aforesaid shall be after the term of this Lease in respect of such Unit has expired, no rental for such Unit shall accrue after the end of such term but the Lessee, in addition to paying the Casualty Value for such Unit (which shall be the same percentage of the Purchase Price as is indicated in Schedule B hereto opposite the last rental payment date), shall pay interest thereon from the end of such term to the date of such payment at the rate of 11% per annum (calculated on the basis of a 360-day year of twelve 30-day months).

The Owner-Trustee hereby appoints the Lessee its agent to dispose of any Unit suffering a Casualty Occurrence or any component thereof, before or after the expiration of this Lease, at the best price obtainable on an "as is, where is" basis. Provided that the Lessee has previously paid the Casualty Value to the Owner-Trustee and is not in default hereunder or an event which after notice or lapse of time or both would become a default hereunder, the Lessee shall be entitled to the proceeds of such sale to the extent they do not exceed the Casualty Value of such Unit, and shall pay any excess to the Owner-Trustee.

The Casualty Value of each Unit as of the Calculation Date for each such Unit shall be that percentage of the Purchase Price of such Unit as is set forth in Schedule B hereto opposite such date.

In the event of the requisition for use by the United States Government of any Unit during the term of this Lease or any renewal thereof, unless such requisition shall at the time of such requisition be scheduled to extend beyond the then remaining term of this Lease, all of the Lessee's obligations under this Lease with respect to such Unit shall continue to the same extent as if such requisition had not occurred, except that if such Unit is returned by the Government at any time after the end of the term of this Lease, the Lessee shall be obligated to return such Unit to the Owner-Trustee pursuant to § 11 or 14 hereof, as the case may be, promptly upon such return by the Government rather than at the end of the term of this Lease, but the Lessee shall in all other respects comply with the provisions of said § 11 or 14, as the case may be, with respect to such Unit. All payments received by the Owner-Trustee or the Lessee from the Government for the use of such Unit during the term of this Lease shall be paid over to, or retained by, the Lessee provided no Event of Default (or other event which after notice or lapse of time or both would become an Event of Default) shall have occurred and be continuing; and all payments received by the Owner-Trustee or the Lessee from the Government for the use of such Unit after the term of this Lease, shall be paid over to, or retained by, the Owner-Trustee.

Except as hereinabove in this § 7 provided, the Lessee shall not be released from its obligations hereunder in the event of, and shall bear the risk of, any Casualty Occurrence to any Unit from and after delivery and acceptance thereof by the Lessee hereunder.

The Lessee shall at all times while this Lease is in effect maintain or cause to be maintained, at its own expense, property and casualty insurance in respect of the Units at the time subject hereto, at least in amounts and against risks customarily insured against by railroad companies on similar equipment owned by them and in amounts and against risks customarily insured against by the Lessee on similar equipment owned by it.

The Lessee will, at all times prior to the return of the Equipment to the Owner-Trustee in accordance with the terms of this Lease, at its own expense, cause to be carried and maintained public liability insurance, in amounts and against risks customarily insured against by the Lessee in respect of similar equipment owned by it and the benefits thereof shall be payable to the Trustee, the Owner-Trustee and the Lessee, as their interests may appear, so long as the Trust Certificates shall not have been paid in full, and thereafter to the Owner-Trustee and the Lessee as their interests may appear. Any policies of insurance carried in accordance with this paragraph shall (i) require 30 days' prior notice of cancelation to the Owner-Trustee and (ii) name the Trustee, the Owner and the Owner-Trustee as additional named insureds as their respective interests may appear.

§ 8. Reports. On or before April 1 in each year, commencing with the calendar year 1977, the Lessee will furnish to the Owner-Trustee, the Owner and the Trustee an Officer's Certificate (as defined in the Security Document) (a) setting forth as at the preceding December 31 the amount, description and numbers of all Units then leased hereunder and covered by the Security Document, the amount, description and numbers of all Units that have suffered a Casualty Occurrence during the preceding calendar year (specifying the dates of such Casualty Occurrences) or to the knowledge of the Lessee are then undergoing repairs (other than running repairs) or are then withdrawn from use pending repairs (other than running repairs) and such other information regarding the condition and state of repair of the Units as the Owner-Trustee or the Trustee may reasonably request and (b) stating that, in the case of all Units repainted or repaired during the period covered by such statement, the numbers and the markings required by § 5 hereof and the Security Document have been preserved or replaced. The Owner-Trustee shall have the right by its agents to inspect the Units and the Lessee's records with respect thereto at such reasonable times as the Owner-Trustee may request during

the continuance of this Lease.

§ 9. Disclaimer of Warranties; Compliance with Laws and Rules; Maintenance; Indemnification. NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES, HAS MADE OR SHALL BE DEEMED TO MAKE OR HAVE MADE ANY WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE DESIGN, COMPLIANCE WITH SPECIFICATIONS, OPERATION OR CONDITION OF, OR AS TO THE QUALITY OF THE MATERIAL, EQUIPMENT OR WORKMANSHIP IN, THE UNITS OR ANY COMPONENT THEREOF DELIVERED TO THE LESSEE HEREUNDER, AND NEITHER THE OWNER-TRUSTEE NOR THE OWNER MAKES ANY WARRANTY OF MERCHANTABILITY OR FITNESS OF THE UNITS OR ANY COMPONENT THEREOF FOR ANY PARTICULAR PURPOSE NOR AS TO TITLE TO THE UNITS OR ANY COMPONENT THEREOF, NOR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO ANY UNIT OR ANY COMPONENT THEREOF (EITHER UPON DELIVERY THEREOF TO THE LESSEE OR OTHERWISE), it being agreed that all such risks, as between the Owner-Trustee and the Lessee, are to be borne by the Lessee; but the Owner-Trustee hereby irrevocably appoints and constitutes the Lessee its agent and attorney-in-fact during the term of this Lease to assert and enforce from time to time, in the name of and for the account of the Owner-Trustee and/or the Lessee, as their interests may appear, at the Lessee's sole cost and expense, whatever claims and rights the Owner-Trustee may have against either Builder, including, but not limited to, any claims and rights arising under the provisions of the Manufacturing Agreements. The Owner-Trustee and the Owner shall have no responsibility or liability to the Lessee or any other person with respect to any of the following: (i) any liability, loss or damage caused or alleged to be caused directly or indirectly by any Units or by any inadequacy thereof or deficiency or defect therein or by any other circumstance in connection therewith; (ii) the use, operation or performance of any Units or any risks relating thereto; (iii) any interruption of service, loss of business or anticipated profits or consequential damages; or (iv) the delivery, operation, servicing, maintenance, repair, improvement or replacement of any Units. The Lessee's delivery of a Certificate of Acceptance shall be conclusive evidence as between the Lessee and the Owner-Trustee that the Units described therein are in all the foregoing respects satisfactory to the Lessee, and the Lessee will not assert any claim of any nature whatsoever against the Owner-Trustee based on any of the foregoing matters.

The Lessee agrees, for the benefit of the Owner-

Trustee, the Owner and the Trustee, to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each Unit) with all laws of the jurisdictions in which its operations involving the Units may extend, with the interchange rules of the Association of American Railroads and with all lawful rules of the United States Department of Transportation, the Interstate Commerce Commission and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Units, to the extent that such laws and rules affect the title, operation or use of the Units and in the event that such laws or rules require any alteration, replacement, modification or addition of or to any part of any Unit, the Lessee will fully conform therewith at its own expense; provided, however, that the Lessee may, in good faith, contest the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Owner-Trustee or the Trustee, adversely affect the property or rights of the Owner-Trustee or the Trustee under this Lease or under the Security Document.

The Lessee agrees that, at its own cost and expense, it will maintain and keep each Unit (including any parts installed on or replacements made to any Unit and considered an accession thereto as hereinbelow provided) which is subject to this Lease in good order and proper repair.

The Lessee and its affiliates, at their own cost and expense, may from time to time make such alterations, modifications and additions (including, without limitation, any special devices, assemblies or racks [including, but not limited to, automobile carrying superstructures] at any time attached or affixed to any Unit, the cost of which is not included in the Purchase Price of such Unit and which are not required for the operation or use of such Unit by the Interstate Commerce Commission, the United States Department of Transportation or any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over such Unit) (hereinafter collectively called Additions) to the Units as the Lessee may deem desirable in the proper conduct of its business so long as such Additions shall not be inconsistent with the continuing operation of the Units or accordance with their original conventional purpose including, but not limited to, the affixation of automobile carrying superstructures, and shall not diminish the value, utility or condition of the Units below the value, utility and condition thereof immediately prior to the making of such Additions,

assuming the Units were then in the condition required to be maintained by the terms of this Lease; provided, however, that no such Addition shall be made if it is not readily removable from the Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which the Unit would have had immediately prior to such time had such Addition not been made.

Title to all Parts (as hereinbelow defined) incorporated in or installed as part of the Units shall without further act vest in the Owner-Trustee and be subject to a valid first lien and prior perfected security interest under the Equipment Trust Agreement in the following cases: (i) such Part is in replacement of or in substitution for, and not in addition to, any Part originally incorporated in or installed as part of a Unit at the time of the acceptance thereof hereunder or any Part in replacement of, or in substitution for any such original Part, (ii) such Part is required to be incorporated in or installed as part of the Units pursuant to the terms of the second or third paragraph of this § 9, or (iii) notwithstanding the provisions of the fourth paragraph of this § 9, such Part cannot be readily removed from the Unit to which it relates without material damage thereto and without diminishing or impairing the value or utility which such Unit shall have had at such time had such alteration or addition not occurred. In all other cases, if no Event of Default under § 10 hereof (or other event which after lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, title to Parts incorporated in or installed as parts of the Units as a result of such alterations or additions shall vest in the Lessee. The term Part for the purposes of this paragraph and § 14 hereof shall be defined to include any appliance, part, instrument, accessory, furnishing or other equipment of any nature which may from time to time be incorporated in or installed as part of any Unit.

The Lessee shall pay, and shall protect, indemnify and hold the Owner-Trustee, the Owner, the holders of Trust Certificates and the Trustee, and their respective successors, assigns, agents and servants (hereinafter called Indemnified Persons), harmless from and against any and all causes of action, suits, penalties, claims, demands or judgments, of any nature whatsoever which may be imposed on, incurred by or asserted against any Indemnified Person (including any or all liabilities, obligations, damages, costs, disbursements,

expenses [including without limitation attorneys' fees and expenses of any Indemnified Person] relating thereto) in any way relating to or arising or alleged to arise out of this Lease or the Units, including without limitation those in any way relating to or arising or alleged to arise out of (i) the manufacture, construction, purchase, acceptance, rejection, ownership, delivery, nondelivery, lease, possession, use, operation, condition, sale, return or other disposition of any Unit or portion thereof; (ii) any latent or other defects whether or not discoverable by any Indemnified Person or the Lessee; (iii) any claim for patent, trademark or copyright infringement; (iv) any claims based on strict liability in tort; (v) any injury to or the death of any person or any damage to or loss of property on or near the Units or in any manner growing out of or concerned with, or alleged to grow out of or be connected with, the ownership, use, replacement, adaptation or maintenance of the Units or of any other equipment in connection with the Units (whether owned or under the control of the Owner-Trustee, the Lessee or any other person) or resulting or alleged to result from the condition of any thereof; (vi) any violation, or alleged violation, of any provision of this Lease (except by the Owner-Trustee) or of any agreement, law, rule, regulation, ordinance or restriction, affecting or applicable to the Units or the leasing, ownership, use, replacement, adaptation or maintenance thereof; (vii) any claim arising out of any of the Owner-Trustee's obligations under the Lease Assignment, the Security Document or the Participation Agreement, except to the extent such claim arises from an act or omission of the Owner-Trustee; or (viii) any claim arising out of the Trustee's holding a security interest under the Security Document or the Lease Assignment. All payments hereunder shall be made directly to the Indemnified Person. The Lessee shall be obligated under this § 9, irrespective of whether any Indemnified Person shall also be indemnified with respect to the same matter under any other agreement by any other person, and the Indemnified Person seeking to enforce the indemnification may proceed directly against the Lessee under this § 9 without first resorting to any such other rights of indemnification. In case any action, suit or proceeding is brought against any Indemnified Person in connection with any claim indemnified against hereunder, the Lessee may and, upon such Indemnified Person's request, will at the Lessee's expense resist and defend such action, suit or proceeding, or cause the same to be resisted or defended by counsel selected by the Lessee and approved by such Indemnified Person, as the case may be, and, in the

event of any failure by the Lessee to do so, the Lessee shall pay all costs and expenses (including without limitation attorneys' fees and expenses) incurred by such Indemnified Person in connection with such action, suit or proceeding. In the event the Lessee is required to make any payment under this § 9, the Lessee shall pay such Indemnified Person an amount which, after deduction of all taxes required to be paid by such Indemnified Person in respect of the receipt thereof under the laws of the United States or of any political subdivision thereof (after giving credit for any savings in respect of any such taxes by reason of deductions, credits or allowances in respect of the payment of the expense indemnified against, and of any other such taxes as determined in the sole discretion of the Indemnified Person), shall be equal to the amount of such payment. The Lessee and the Owner-Trustee each agrees to give each other promptly upon obtaining knowledge thereof written notice of any claim or liability hereby indemnified against. Upon the payment in full of any indemnities as contained in this § 9 by the Lessee, and provided that no Event of Default (or other event which with lapse of time or notice or both would constitute an Event of Default) shall have occurred and be continuing, it shall be subrogated to any right of such Indemnified Person in respect of the matter against which indemnity has been given. Any payments received by such Indemnified Person from any person (except the Lessee) as a result of any matter with respect to which such Indemnified Person has been indemnified by the Lessee pursuant to § 8 shall be paid over to the Lessee to the extent necessary to reimburse the Lessee for indemnification payments previously made in respect of such matter.

The Lessee further agrees to indemnify, protect and hold harmless the holders of Trust Certificates, the Trustee, the Owner and the Owner-Trustee, as third party beneficiaries hereof, from and against any and all liability, claims, costs, charges and expenses, including royalty payments and counsel fees, in any manner imposed upon or accruing against the holders of Trust Certificates, the Trustee, the Owner and the Owner-Trustee because of the use in or about the construction or operation of any of the Equipment of any article or material specified by the Lessee and not manufactured by the applicable Builder or of any design, system, process, formula or combination specified by the Lessee and not developed or purported to be developed by such Builder which infringes or is claimed to infringe on any patent or other right. The Lessee will give notice to the

applicable Builder of any claim known to the Lessee from which liability may be charged against such Builder hereunder.

The indemnities contained in this § 9 shall survive the expiration or termination of this Lease with respect to all events, facts, conditions or other circumstances occurring or existing prior to such expiration or termination and are expressly made for the benefit of, and shall be enforceable by any Indemnified Person. None of the indemnities in this § 9 shall be deemed to create any rights of subrogation in any insurer or third party against the Lessee therefor, from or under any Indemnified Person, whether because of any claim paid or defense provided for the benefit thereof or otherwise.

The Lessee agrees at its expense to prepare and deliver to the Owner-Trustee within a reasonable time prior to the required date of filing (or, to the extent permissible, file on behalf of the Owner-Trustee) any and all reports (other than income tax returns) to be filed by the Owner-Trustee with any federal, state or other regulatory authority by reason of the ownership by the Owner-Trustee or the Trustee of the Units or the leasing thereof to the Lessee.

§ 10. Default. If, during the continuance of this Lease, one or more of the following events (each such event being herein sometimes called an Event of Default) shall occur:

A. payment of any part of the rental provided in § 3 or § 13 hereof or payment in respect of any Casualty Occurrence pursuant to § 7 hereof shall not be made by or on behalf of the Lessee, and such failure to make payment shall continue for five days after such payment is due; or

B. default shall be made in the observance or performance of any other of the covenants, conditions and agreements on the part of the Lessee contained herein or in the Participation Agreement or the Consent, and such default shall continue for 20 days after written notice from the Owner-Trustee or the Trustee to the Lessee specifying the default and demanding that the same be remedied; or

C. any proceedings shall be commenced by or against the Lessee for any relief which includes, or might result in, any modification of the obligations of the Lessee

under this Lease, the Participation Agreement or the Consent under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extension (other than a law which does not permit any readjustments of the obligations of the Lessee hereunder, under the Participation Agreement or under the Consent), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of the Lessee under this Lease, under the Participation Agreement or under the Consent, as the case may be, shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for the Lessee or for the property of the Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier; or

D. an Event of Default set forth in Article Six of the Security Document shall have occurred arising out of any default by the Lessee in performing any of its obligations hereunder or under the Participation Agreement; or

E. any representation or warranty made by the Lessee in the Participation Agreement or in any document or certificate furnished the Owner-Trustee, the Owner, the Trustee or the holder of any Trust Certificate in connection herewith or therewith or pursuant hereto or thereto shall be incorrect when made in any material respect adverse to such parties or any thereof at the time the Lessee becomes aware of such condition and such condition shall continue unremedied for a period of 30 days after the Lessee becomes aware of such condition;

then, in any such case, the Owner-Trustee, at its option, may,

(a) proceed by appropriate court action or actions either at law or in equity, to enforce performance by the Lessee of the applicable covenants of this Lease or to recover damages for the breach thereof; or

(b) by notice in writing to the Lessee terminate this Lease, whereupon all rights of the Lessee to the use of the Units shall absolutely cease and terminate as though this Lease had never been made, but the Lessee shall remain liable as herein provided; and thereupon the Owner-Trustee may by its agents enter upon the premises of the Lessee or other premises where any of the Units may be and take possession of all or any of such Units and thenceforth hold, possess, sell, operate, lease to others and enjoy the same free from any right of the Lessee, or its successors or assigns, to use the Units for any purposes whatever and without any duty to account to the Lessee for such action or inaction or for any proceeds arising therefrom; but the Owner-Trustee shall, nevertheless, have a right to recover from the Lessee any and all amounts which under the terms of this Lease may be then due or which may have accrued to the date of such termination (computing the rental for any number of days less than a full rental period by multiplying the rental for such full rental period by a fraction of which the numerator is such number of days and the denominator is the total number of days in such full rental period) and also to recover forthwith from the Lessee as damages for loss of the bargain and not as a penalty, whichever of the following amounts the Owner-Trustee, in its sole discretion, shall specify: (x) a sum with respect to each Unit which represents the excess of (1) the present value, at the time of such termination, of the entire unpaid balance of all rental for such Unit which would otherwise have accrued hereunder from the date of such termination to the end of the term of this Lease as to such Unit over (2) the then present value of the rentals which the Owner-Trustee reasonably estimates to be obtainable for the Unit during such period, such present value to be computed in each case on the basis of a 6% per annum discount, compounded semiannually from the respective dates upon which rentals would have been payable hereunder had this Lease not been terminated, together with any damages and expenses, including reasonable attorneys' fees, in addition thereto which the Owner-Trustee shall have sustained by reason of the breach of any covenant, representation or warranty of this Lease other than for the payment of the rental; or (y) an amount equal to the excess, if any, of the Casualty Value as of the rental payment date on or next preceding the date of termination over the amount the Owner rea-

sonably estimates to be the sales value (after deduction of all estimated expenses of such sale) of such Unit at such time; provided, however, that in the event the Owner-Trustee shall have sold any Unit, the Owner-Trustee, in lieu of collecting any amounts payable to the Owner-Trustee by the Lessee pursuant to the preceding clauses (x) and (y) of this part (b) with respect to such Unit, may, if it shall so elect, demand that the Lessee pay the Owner-Trustee and the Lessee shall pay to the Owner-Trustee on the date of such sale, as liquidated damages for loss of a bargain and not as a penalty, an amount equal to the excess, if any, of the Casualty Value for such Unit, as of the rental payment date on or next preceding the date of termination, over the net proceeds of such sale.

In addition, the Lessee shall be liable, except as otherwise provided above, for any and all unpaid amounts due hereunder before, during or after the exercise of any of the foregoing remedies and for all reasonable attorneys' fees and other costs and expenses incurred by reason of the occurrence of any event of Default or the exercise of the Owner's or the Owner-Trustee's remedies with respect thereto, including all costs and expenses incurred in connection with the return of any Unit.

The remedies in this Lease provided in favor of the Owner and the Owner-Trustee shall not be deemed exclusive, but shall be cumulative, and shall be in addition to all other remedies in its favor existing at law or in equity. The Lessee hereby waives any requirements of law, now or hereafter in effect, which might limit or modify the remedies herein provided, to the extent that such waiver is permitted by law. The Lessee hereby waives any and all existing or future claims to any offset against the rental payments due hereunder, and agrees to make rental payments regardless of any offset or claim which may be asserted by the Lessee or on its behalf.

The failure of the Owner-Trustee to exercise the rights granted it hereunder upon the occurrence of any of the contingencies set forth herein shall not constitute a waiver of any such right upon the continuation or recurrence of any such contingencies or similar contingencies and a waiver of any such right on one occasion shall not constitute a waiver of such right as to any other occasion and shall not be effective unless in writing signed by the Owner-Trustee.

The Lessee also agrees to furnish the Owner-Trustee, the Owner and the Trustee, promptly upon any responsible officer's becoming aware of any condition which constitutes an Event of Default under the Lease or which, after notice or lapse of time or both, would constitute such an Event of Default, written notice specifying such condition and the nature and status thereof. For the purposes of this Section, a "responsible officer" shall mean, with respect to the subject matter of any covenant, agreement or obligation of the Lessee in this Lease contained, any corporate official of the Lessee who in the normal performance of his operational responsibilities would have knowledge of such matter and the requirements of this Lease with respect thereto.

§ 11. Return of Units Upon Default. If this Lease shall terminate pursuant to § 10 hereof, the Lessee shall forthwith deliver possession of the Units to the Owner-Trustee and shall give prompt telegraphic and written notice to the Association of American Railroads and all railroads having possession of any Unit so to return such Units. Each Unit returned to the Owner-Trustee pursuant to this § 11 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear and modifications, if any, permitted by this Lease excepted and (ii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. For the purpose of delivering possession of any Unit or Units to the Owner-Trustee as above required, the Lessee shall at its own cost, expense and risk:

(a) forthwith and in the usual manner cause such Units to be transported to such location as shall reasonably be designated by the Owner-Trustee and there assembled,

(b) furnish and arrange for the Owner-Trustee to store such Units on any lines of railroad or premises approved by the Owner-Trustee until such Units have been sold, leased or otherwise disposed of by the Owner-Trustee, and

(c) cause the Units to be moved to such interchange point or points as shall be designated by the Owner-Trustee upon any sale, lease or other disposal of all or any of the Units.

The assembling, delivery, storage and transporting of the Units as hereinbefore provided shall be at the expense and risk of the Lessee and are of the essence of this Lease, and, upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to assemble, deliver, store and transport the Units. During any storage period, the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such Unit, to inspect the same. In the event that the Units or any thereof are sold the Lessee shall pay to the Owner-Trustee the per diem interchange for each such Unit which shall not have been assembled, delivered and stored, as hereinbefore provided, by the date of such sale for each day from the date of such sale to the date of delivery to the purchaser thereof.

Without in any way limiting the obligation of the Lessee under the foregoing provisions of this § 11, the Lessee hereby irrevocably appoints the Owner-Trustee as the agent and attorney of the Lessee, with full power and authority, at any time while the Lessee is obligated to deliver possession of any Unit to the Owner-Trustee, to demand and take possession of such Unit in the name and on behalf of the Lessee from whomsoever shall be in possession of such Unit at the time.

§ 12. Assignment; Possession and Use. This Lease shall be assignable in whole or in part by the Owner-Trustee without the consent of the Lessee, but the Lessee shall be under no obligation to any assignee of the Owner-Trustee other than the Trustee except upon written notice of such assignment from the Owner-Trustee. All the rights of the Owner-Trustee hereunder (including, but not limited to, the rights under §§ 6, 7 and 10 and the rights to receive the rentals payable under this Lease) shall inure to the benefit of the Owner and the Owner's and the Owner-Trustee's assigns.

So long as no Event of Default exists hereunder or under the Security Document and the Lessee shall have fully complied with the provisions of this § 12, the Lessee shall be entitled to the possession of the Units and also to sublease the Units to, or to permit their use under the terms of car contracts by, a sublessee or user incorporated

in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), upon lines of railroad owned or operated by a railroad company or companies incorporated in the United States of America (or any State thereof or the District of Columbia) or Canada (or any Province thereof), or over which such railroad company or companies have trackage rights or rights for operation of their trains, and upon connecting and other carriers in the usual interchange of traffic in the continental United States, only upon and subject to all the terms and conditions of this Lease; provided, however, that if the Lessee subleases or permits the use of any Unit in Canada (or any Province or Territory thereof), the Lessee shall, except as otherwise provided in § 15 hereof, first have (a) taken all necessary action to protect the right, title and interest of the Lessor and the Trustee in the Units to be so subleased or used and (b) furnished the Owner-Trustee and the Trustee with an opinion of Canadian counsel, as the case may be, satisfactory to the Owner-Trustee and the Trustee to the effect that such action is all that is necessary to protect the right, title and interest of the Owner-Trustee and the Trustee in such Units; provided, further, that no Units shall be used predominantly outside the United States of America within the meaning of section 48(a) of the Internal Revenue Code of 1954, as amended to the date hereof, nor shall the Lessee sub-lease the Units to, or permit their use by, any person in whose hands such Units would not qualify as "section 38" property within the meaning of such Code.

Any such sublease may provide that the sublessee, so long as it shall not be in default under such sublease, shall be entitled to the possession of the Units included in such sublease and the use thereof; provided, however, that every such sublease shall be subject to the rights and remedies of the Trustee under the Security Document and the Owner-Trustee under this Lease in respect of the Units covered by such sublease upon the occurrence of an Event of Default thereunder or hereunder.

The Lessee, at its own expense, will as soon as possible cause to be duly discharged any lien, charge, security interest or other encumbrance (except any sublease or car contract as aforesaid and other than an encumbrance resulting from claims against the Owner-Trustee or the Trustee not related to the ownership or leasing of, or the security interest of the Trustee in, the Units) which may at any time be imposed on or with respect to any Unit including any acces-

sion thereto or the interest of the Owner-Trustee, the Trustee or the Lessee therein. The Lessee shall not, without the prior written consent of the Owner-Trustee, part with the possession or control of, or suffer or allow to pass out of its possession or control, any of the Units, except to the extent permitted by the provisions of this § 12.

Nothing in this § 12 shall be deemed to restrict the right of the Lessee to assign or transfer its leasehold interest under this Lease in the Units or possession of the Units to any corporation incorporated under the laws of any state of the United States of America or the District of Columbia (which shall have specifically assumed the obligations of the Lessee hereunder and under the Consent by an appropriate instrument in writing) into or with which the Lessee shall have become merged or consolidated or which shall have acquired the property of the Lessee as an entirety or substantially as an entirety, provided that such assignee or transferee will not, upon the effectiveness of such merger, consolidation or acquisition be in default under any provision of this Lease.

§ 13. Renewal Options and Right of First Refusal. The Owner-Trustee intends to retain the Units for re-lease at the expiration of the term of this Lease. Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Owner-Trustee not less than six months prior to the end of the original term of this Lease elect to extend the term of this Lease in respect of all, but not fewer than all, the Units then covered by this Lease for one additional four-year period commencing on the scheduled expiration of the original term of this Lease, at a semiannual rental equal to 2.0700% of the Purchase Price of each Unit subject to this Lease on the date such rental is payable; such rental is payable in arrears on January 1 and July 1 in each year of the extended term of this Lease.

Provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, the Lessee may by written notice delivered to the Owner-Trustee not less than six months prior to the end of the term of this Lease as extended pursuant to the first paragraph of this § 13, elect to extend the term of this Lease in respect of all but not fewer than all of the Units then covered by this Lease, for an additional five-year period commencing on the scheduled expiration of the extended term of this Lease, at a "Fair Market Rental" payable in semi-

annual payments on the semiannual anniversaries of the expiration of the preceding extended term.

Fair Market Rental shall be determined on the basis of, and shall be equal in amount to, the rental which would obtain in an arm's-length transaction between an informed and willing lessee (other than a lessee currently in possession) and an informed and willing lessor under no compulsion to lease and, in such determination, costs of removal from the location of current use shall not be a deduction from such rental. If, after 60 days from the giving of notice by the Lessee of the Lessee's election to extend the term of this Lease, the Owner-Trustee and the Lessee are unable to agree upon a determination of the Fair Market Rental of the Units, such rental shall be determined in accordance with the foregoing definition by the following procedure: If either party to such determination shall have given written notice to the other requesting determination of such value by this appraisal procedure, the parties shall consult for the purpose of appointing a qualified independent appraiser by mutual agreement. If no such appraiser is so appointed within 20 business days after such notice is given, either party may apply, to make such appointment, to the American Arbitration Association, and both parties shall be bound by any appointment so made. Any appraiser appointed pursuant to the foregoing procedure shall be instructed to determine the Fair Market Rental of the Units subject to the proposed extended term within 90 days after his appointment. If the parties shall have appointed a single appraiser the determination of Fair Market Rental of the single appraiser appointed shall be final. The appraisal proceedings shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association as in effect on the date hereof, except as modified hereby. The provision for this appraisal procedure shall be the exclusive means of determining Fair Market Rental and shall be in lieu of any judicial or other procedure for the determination thereof, and each party hereto hereby consents and agrees not to assert any judicial or other procedures. The expenses of the appraisal procedure shall be borne by the Lessee.

In the event that the Lessee shall in its reasonable judgment determine that it is not economically feasible for the Lessee to comply with the provisions of the second paragraph of § 9 hereof or clause (iii) of § 14 hereof during any extended term of this Lease as extended pursuant to the provisions of the first or second paragraph of this § 13, whichever is applicable, with respect to any Unit, the Lessee shall have the right at its option, on at least 30 days' prior written

notice to the Owner-Trustee, to terminate this Lease as to such Unit (subject to the provisions for the survival of indemnification obligations contained in § 9 hereof) as of the next scheduled rental payment date during such extended term upon payment to the Owner-Trustee of the present value as of such date of termination of the remaining rental for such Unit during such extended term with the semiannual rentals discounted semiannually at an annual rate of 11%.

Provided the Lessee exercises the renewal option provided in the first paragraph of this § 13, and provided that this Lease has not been earlier terminated and the Lessee is not in default hereunder, and provided that the lessee has not exercised its renewal option pursuant to the provisions of the second paragraph of this § 13, in the event the Owner-Trustee elects to sell any Units to third parties at the expiration of the term of this Lease as extended pursuant to the first paragraph of § 13 hereof, the Lessee, at its written request, shall be given written notice of such intention prior to the expiration of the term of this Lease as so extended. In the event that the Owner-Trustee shall receive, prior to March 31, 1997, a bona fide offer in writing from another party to purchase the Units and the Owner-Trustee elects to sell the Units pursuant to such offer at the expiration of the term of this Lease as extended pursuant to the first paragraph of this § 13, the Owner-Trustee shall give written notice to the Lessee of such offer. Such notice shall be given to the Lessee on any date between July 1, 1996, and March 31, 1997, and shall include the price offered by the other party in writing to the Owner-Trustee. The Lessee shall have the sole right and option, for a period of 10 business days from the date of receipt of such notice, to purchase the Units for cash at the price at which the Units are proposed to be sold. The Lessee shall exercise such purchase right by delivery to the Owner-Trustee of a written notice specifying a date of purchase, which date shall not be later than the later of (i) 15 days after the date of delivery of such notice by the Lessee to the Owner-Trustee or (ii) March 31, 1997. In the event that the Lessee shall have delivered a notice of its election to purchase the Units, this Lease (including the obligation to pay rent) shall be further extended upon the same terms and conditions set forth herein from the date such notice is delivered to the Owner-Trustee until the date of such purchase.

#### § 14. Return of Units upon Expiration of Term.

On or prior to the termination of the term of this Lease or as soon as practicable on or after the termination of the term of this Lease and in any event not later than 90 days after the termination of the term of this Lease the Lessee will, at its own cost and expense, at the request of the

Owner-Trustee, cause each Unit to be transported to such point or points as shall be reasonably designated by the Owner-Trustee immediately prior to such termination and arrange for the Owner-Trustee to store such Unit on any lines of railroad or premises approved by the Owner-Trustee for a period not exceeding 90 days from the date at which at least 90% of such Units are first placed in storage pursuant to this § 14; the assembly, delivery, storage and transporting of such Unit to be at the expense and risk of the Lessee. During any such storage period the Lessee will permit the Owner-Trustee or any person designated by it, including the authorized representative or representatives of any prospective purchaser or lessee of such Unit, to inspect the same; provided, however, that the Lessee shall not be liable except in the case of negligence or intentional act of the Lessee or of its employees or agents and, except to the extent otherwise provided by law, for any injury to or the death of any person exercising, either on behalf of the Owner-Trustee or any prospective purchaser or Lessee, the rights of inspection granted under this sentence. The assembly, delivery, storage and transporting of the Units as hereinbefore provided are of the essence of this Lease, and upon application to any court of equity having jurisdiction in the premises, the Owner-Trustee shall be entitled to a decree against the Lessee requiring specific performance of the covenants of the Lessee so to cause the assembly, delivery, storage and transporting of the Units. Each Unit returned to the Owner-Trustee pursuant to this § 14 shall (i) be in the same operating order, repair and condition as when originally delivered to the Lessee, reasonable wear and tear excepted, (ii) have attached or affixed thereto any Part title to which is in the Owner-Trustee pursuant to § 9 hereof and have removed therefrom at Lessee's expense any Part title to which is in the Lessee or any other person pursuant to such § 9 and (iii) meet the standards then in effect under the Interchange Rules of the Association of American Railroads, if applicable. If any Unit suffers a Casualty Occurrence during any storage period provided for in this § 14, the Lessee shall pay to the Owner-Trustee the Casualty Value of such Unit as determined in accordance with § 7 hereof. All gross amounts earned in respect of any Unit shall, from and after the termination of this Lease as to such Unit, belong to and be the property of the Owner-Trustee. In the event that by the 90th day after the termination of the original or any extended term of this Lease the Lessee has not, at the request of the Owner-Trustee, caused at least 90% of the Units to be transported to such point or points as shall have been designated by the Owner-Trustee pursuant to this § 14, the Lessee shall pay to the Owner-Trustee the per diem inter-

change multiplied by the number of Units equal to the difference between 90% of such Units and the number of Units previously delivered pursuant to this § 14 (such number to be determined on each day) for each day from such 90th day to the date on which at least 90% of the Units have been so transported. If, after the termination of the 90-day storage period provided in this § 14, any Units have not been so transported, the Lessee shall pay to the Owner-Trustee the per diem interchange for each Unit not so transported for each day after the end of such storage period until such Unit or Units have been so transported.

Upon the expiration of the original term of this Lease on January 1, 1993, if the Lessee shall decide not to exercise the renewal option provided by the first paragraph of § 13 hereof, the Lessee will deliver to the Owner-Trustee Officer's Certificates (as that term is defined in the Security Document) to the effect that (a) no Event of Default or any event which with lapse of time or notice or both would constitute an Event of Default had occurred or was continuing as of January 1, 1993; (b) no liens, charges, security interests or other encumbrances (except an encumbrance resulting from claims against the Owner-Trustee or the Owner) were, as of January 1, 1993, imposed on or with respect to any Unit, any accession thereto, or the interest of the Owner-Trustee or the Owner therein; and (c) the Units have been returned to the Owner-Trustee pursuant to this § 14 in the same operating order, repair and condition required by the first paragraph of this § 14. If Officer's Certificates are required to be furnished pursuant to the preceding sentence, the Officer's Certificate described in clause (a) in the preceding sentence shall be furnished on January 1, 1993, and the Officer's Certificates described in clauses (b) and (c) in the preceding sentence shall be furnished on a monthly basis, beginning on February 1, 1993, and such Officer's Certificate shall cover each Unit returned during the preceding 30 calendar days and shall apply to each such Unit as of the date such Unit was returned pursuant to the provisions of the first paragraph of this § 14.

§ 15. Recording. The Lessee, at its own expense, will cause this Lease, the Security Document, the Lease Assignment and any assignment hereof or thereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act. The Lessee will undertake the filing, registering, deposit, and recording required of the Owner-Trustee under the Security Document and will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record (and will refile, re-register, deposit and redeposit or re-record whenever required) any and all further instruments required by law or reasonably requested by the Owner-

Trustee or the Trustee for the purpose of proper protection, to their satisfaction, of the Trustee's and the Owner-Trustee's respective interests in the Units, or for the purpose of carrying out the intention of this Lease, the Security Document or the Lease Assignment; provided, however, that the Lessee shall not be required to take any such action in respect of any jurisdiction outside the United States if (1) the Lessee deems such action to be unduly burdensome, (2) after giving effect to the failure to take such action, the Lessee has taken all action required by law to protect the title of the Owner-Trustee to and the security interest of the Trustee in Units having a Fair Value (as defined in the Security Document) of not less than 85% of the aggregate Fair Value of all the Units then subject to this Lease, and (3) any Unit at any time located in such jurisdiction shall have been marked with the markings specified in § 5 hereof.

The Lessee will promptly furnish to the Trustee and the Owner-Trustee evidence of all such filing, registering, depositing or recording, and an opinion or opinions of counsel for the Lessee with respect thereto satisfactory to the Trustee and the Owner-Trustee. This Lease and the Security Document shall be filed and recorded with the Interstate Commerce Commission prior to the delivery and acceptance hereunder of any Unit.

#### § 16. Provisions Concerning Subordinated Notes.

It is the intention of the parties hereto, and the Lessee hereby represents and warrants to such effect, that the obligations of the Lessee under this Lease shall be superior in right of payment to all the Lessee's Thirty Year Subordinated Notes sold or to be sold pursuant to a Note Purchase Agreement dated as of January 1, 1967, between the Lessee and certain of its stockholders. The Lessee covenants and agrees that if an Event of Default exists hereunder or an Event of Default (as defined in the Security Document) exists under the Security Document or any event which, with the giving of notice or the lapse of time, or both, would constitute an Event of Default hereunder or under the Security Document, shall have occurred and be continuing, the Lessee will not voluntarily prepay or retire any of such Notes.

The Lessee agrees not to merge or consolidate with any other corporation unless the survivor of such merger or consolidation shall be a solvent corporation organized under the laws of the United States of America or a State thereof or the District of Columbia and such survivor (if not the Lessee) shall assume all the obligations and liabilities of the Lessee hereunder and under the Lessee's Consent and Agreement to the Lease Assignment.

§ 17. Increase of User Rates. The Lessee covenants and agrees, in addition to and not in limitation of any other remedies of the Owner-Trustee hereunder or otherwise, (i) that, if an Event of Default exists under clause A of § 10 hereof by reason of the failure of the Lessee to pay within the grace period provided in clause A of § 10 hereof all or any part of the rentals due and payable under § 3 hereof (but not including amounts payable by reason of acceleration of the date of payment thereof), the Lessee shall, upon written notice by the Owner-Trustee so to do, within ten days after receipt of such notice, deliver to all parties to its Form A and Form B car contracts (or such other forms as may hereafter be used in substitution or in replacement of such Form A and Form B car contracts) due and proper notice of increases in the car user charges under such contracts, (ii) that all car contracts covering any unit or units of railroad equipment of which the Lessee is the owner or the lessee will contain provisions permitting the Lessee to require such increases and (iii) that, except in connection with an assignment or transfer in accordance with the provisions of the Security Document, the Lessee will not assign or transfer its rights and obligations to require such increases under any such car contracts. Such increases shall commence to accrue and shall be effective on the first day of the first calendar month beginning subsequent to ten days after delivery of such notice by the Lessee to the parties to such car contracts. Such increases shall be in such amounts or percentages as will cause to accrue and be payable to the account of the Lessee in respect of the first calendar month during which they are in effect such additional sums of money as will be needed by the Lessee to enable it to pay as rental hereunder an amount equal to all such overdue rentals (with interest on overdue rentals equal to 11% per annum, to the extent that it shall be legally enforceable) and, to the extent permitted by the Owner-Trustee hereunder, to cure any defaults in payment of any principal or interest or rentals payable under comparable provisions of any other equipment trust, conditional sale or other equipment agreement or lease of the Lessee not guaranteed jointly and severally by its shareholders or a group of its shareholders (except defaults arising by reason of acceleration of the date of payment of instalments of principal, dividends or interest, or rentals intended to provide for payment thereof), whether heretofore or hereafter entered into, based upon the most recent records or information available to the Lessee relating to the use of its cars. If for any reason any such increases so made by the Lessee shall fail to provide in 90 days sufficient cash to enable the Lessee to cure such default or defaults hereunder and under any other such agreements, or if cash is provided but

is not for any reason applied to cure such defaults, the Lessee shall, upon receipt of written notice from the Owner-Trustee so to do, promptly make such further increases in its user charges as may from time to time be necessary to enable the Lessee to cure all such defaults hereunder and under such other agreements.

§ 18. Obligations of Owner-Trustee Under Security Document; Additional Rentals. In the event that the Owner-Trustee shall become obligated to make any payment (other than payments in settlement for Equipment pursuant to the Security Document and pursuant to the proviso to the third paragraph of Section 7.01 thereof) or to perform any obligations pursuant to the Security Document not covered by the provisions of this Lease, the Lessee shall pay such additional rentals hereunder and perform such obligations so that all of the Owner-Trustee's obligations (other than as aforesaid) pursuant to the Security Document shall be fully complied with, without regard for any limitation of liability of the Owner-Trustee contained in the Security Document.

§ 19. Owner-Trustee's Right To Perform for the Lessee. If the Lessee fails to perform or comply with any of its agreements contained herein, the Owner-Trustee may upon notice to the Lessee itself perform or comply with such agreement, and the amount of the reasonable cost and expenses of the Owner-Trustee incurred in connection with such performance or compliance, together with interest on such amount at the rate of 11% per annum, payable by the Lessee upon demand.

§ 20. Interest on Overdue Rentals. Anything to the contrary herein contained notwithstanding, any nonpayment of rentals and other obligations due hereunder shall result in the obligation on the part of the Lessee promptly to pay an amount equal to interest at a rate of 11% per annum on the overdue rentals and other obligations for the period of time during which they are overdue or such lesser amount as may be legally enforceable.

§ 21. Notices. Any notice required or permitted to be given by either party hereto to the other shall be deemed to have been given when delivered to such other party or deposited in the United States mails, first-class postage prepaid, addressed as follows:

if to the Owner-Trustee, at Main Street at Broadway, Salt Lake City, Utah 84111, with a copy to First Security Bank of Utah, N.A., at 79 South Main street, Salt Lake City, Utah 84111, attention of Trust Department, Corporate Trust Division;

if to the Lessee, at 300 South Wacker Drive, Chicago, Illinois 60606, attention of Vice President-Finance and Treasurer;

or addressed to any party at such other address as such party shall hereafter furnish to the other parties in writing. Any certificate, document or report required to be furnished by any party hereto to the other parties shall be delivered to the address set forth above for such party. Any notice to the Lessee by the Trustee or the holders of the Trust Certificates regarding the Lessee's failure to perform any obligation hereunder shall also be furnished by the Lessee to the Owner-Trustee.

§ 22. Owner-Trustee Acting as Trustee. The representations, undertakings and agreements herein made on the part of the Owner-Trustee are made and intended for the purpose of binding only the Trust Estate as such term is defined in the Trust Agreement.

Whenever the term Owner-Trustee is used in this Lease it shall apply and refer to the Owner-Trustee and any assignee of the Owner-Trustee.

§ 23. No Recourse. No recourse shall be had in respect of any obligation due under this Lease, or referred to herein, against any incorporator, stockholder, director or officer, as such, past, present or future, of the Owner-Trustee or the Lessee, or against the Owner or any other beneficiary of a trust for which the Owner-Trustee is acting as trustee, whether by virtue of any constitutional provision, statute or rule of law or by enforcement of any assessment or penalty or otherwise, all such liability, whether at common law, in equity, by any constitutional provision, statute or otherwise, of incorporators, stockholders, directors, officers, as such, or beneficiaries being forever released as a condition of and as consideration for the execution of this Lease.

It is expressly understood and agreed by and between the parties hereto, anything herein to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Owner-Trustee are each and every one of them made and intended not as personal representations, undertakings and agreements by the Owner-Trustee, or for the purpose or with the intention of binding the Owner-Trustee personally but are made and intended for the purpose of binding only the Trust Estate and this Agreement is executed and delivered by the Owner-Trustee solely in the exercise of the powers expressly

conferred upon the Owner-Trustee as Owner-Trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be asserted or enforceable against the Owner-Trustee (except as provided in Section 4.01 of the Trust Agreement) or on account of representation, undertaking or agreement of the Owner-Trustee, as Owner-Trustee (except as provided in Section 4.01 of the Trust Agreement) either expressed or implied, all such personal liability, if any, being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee; provided, however, that the Lessee or any person claiming by, through or under the Lessee making claim hereunder, may look to said Trust Estate for satisfaction of the same.

§ 24. Severability; Effect and Modification of Lease; Third Party Beneficiaries. Any provision of this Lease which is prohibited or unenforceable in any jurisdiction shall be, as to such jurisdiction, ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

This Lease exclusively and completely states the rights of the Owner-Trustee and the Lessee with respect to the leasing of the Units and supersedes all other agreements, oral or written, with respect thereto, except the Participation Agreement. No variation or modification of this Lease and no waiver of any of its provisions or conditions shall be valid unless in writing and signed by duly authorized signatories for the Owner-Trustee and the Lessee.

Nothing in this Lease shall be deemed to create any right in any person not a party hereto (other than the Owner, the Trustee and the permitted successors and assigns of a party) and this instrument shall not be construed in any respect to be a contract in whole or in part for the benefit of any third party except as aforesaid.

§ 25. Execution. This Lease may be executed in several counterparts, such counterparts together constituting but one and the same instrument, but the counterpart delivered to the Trustee shall be deemed to be the original counterpart. Although for convenience this Lease is dated as of the date first set forth above, the actual date or dates of execution hereof by the parties hereto is or are, respectively, the date or dates stated in the acknowledgments hereto annexed.

§ 26. Law Governing. The terms of this Lease and all rights and obligations hereunder shall be governed by the laws of the State of Illinois; provided, however, that the parties shall be entitled to all rights conferred by Section 20c of the Interstate Commerce Act.

§ 27. Agreement for Benefit of Owner. All rights of the Owner-Trustee hereunder (including, but not limited to, its rights under §§ 6, 7, 9 and 10 and the right to receive the rentals payable under this Lease) shall inure to the benefit of the Owner and any of the Owner's assigns under the Trust Agreement.

IN WITNESS WHEREOF, the parties hereto have executed or caused this instrument to be executed as of the date first above written.

TRAILER TRAIN COMPANY,

by

R. E. Zimmerman

Vice President Finance  
and Treasurer

Assistant Treasurer

[CORPORATE SEAL]
